The Game
The Salisbury University football team welcomes Union College for today's Homecoming contest. The Sea Gulls are coming off a 28-7 loss at Lake Erie College last week, in which they came up with 207 yards of total offense.

The Series
This is just the second meeting for the two programs and the first since 1983. That meeting came in the semifinal round of the NCAA Tournament, when Union came away with a 23-21 victory. Salisbury Head Coach Sherman Wood played in that 1983 meeting during his senior year as a Sea Gull defensive back.

Homecoming History
Salisbury has won its last eight Homecoming games, winning by an average of 35.3 points in those games. The Sea Gulls have won all but one of those eight Homecoming games by at least 24 points. The 2002 game against Wesley was a 22-19 victory. The largest margin of victory in the last eight years was a 79-20 win against Becker College in 2007.

Scouting Union
The Dutchmen enter today's game 5-1 on the season, having won their last four games, including last Saturday's 20-17 overtime win at St. Lawrence University. After surrendering an overtime field goal, quarterback Andrew Connolly found Justin Gallo for a 5-yard touchdown pass to end the game. Connolly passed for 206 yards in the game, while Gallo was on the receiving end of 101 yards. Tailback Chris Coney ran for 139 yards and two scores. He is averaging 120 rushing yards per game. The Dutchmen are averaging just over 140 rushing yards per game and 225 through the air while scoring 21.8 points per game. The Union defense is surrendering almost 200 rushing yards per contest while opponents are throwing for 135 yards and scoring 19 points per game.

Up Next
The Sea Gulls will be on the road on Halloween day for the Battle of Route 13 at Wesley College. The contest will be the second Atlantic Central Football Conference game for the Sea Gulls, while Wesley will enter with a 2-0 mark in ACFC play. Wesley has won the last four meetings in the series. Salisbury's last win came on October 30, 2004, in a 35-18 victory.

Quoting Sherman Wood

Salisbury Head Coach Sherman Wood discusses the excitement of Homecoming, facing a team for the first time in 26 years, his top-rated defense and the upcoming opponent.

Salisbury University and Union College have not played each other since 1983, what is the toughest thing about playing a team with whom you are not familiar?

Throw the years out of the window. We respect and know enough about each other regardless of not playing for so many years.

Homecoming weekend is always an exciting time, what do you look forward to most about Homecoming?

This is the most anticipated Homecoming of my coaching career. The last time I competed against Union was during my senior year here at SU. The game was very emotional to me because Union defeated us 23-21 in an exciting national semifinal game. My interception for a touchdown and our two-point conversion attempt to send the game into overtime were not enough to win the game. I'm hoping for a different result today.

Scouting Union: What can we expect to see from the opposition this week?

Any time you face a 5-1 team you should expect just about anything and everything. However, their bread and butter is handing the ball off to Chris Coney. Coney is probably the best running back we will face all year. Coney has close to 900 all-purpose yards with 720 of those from rushing. Wide receiver Justin Gallo is a deep threat when passing the ball. Union is also led by a stingy defense. So obviously, this is not your typical Homecoming opponent.

Your defense is ranked as one of the top sack teams in the nation, that's not simply about the players up front, how does that translate into success by the entire defensive unit?

I always believe if you have a talented secondary and solid linebackers, you will have a solid defense. Brandon Hudson and Justin Chura confirm that belief. Therefore, having a great defensive line is a bonus for the entire defense.

No. 76 Alex Bresner

UNDER THE HELMET

What is your pregame ritual prior to the start of a home game?

I like to wake up and a get a shower. Then my roommate, and wide receiver on the team, Keith Polizois and I like to drive over together for the team's pregame meal. In the locker room I am pretty quiet and like to stay by myself and just mentally prepare. Then as we make our way over to the stadium and go through the tunnel that's when I start, my energy picks up and I get more vocal.

It's your final Homecoming game at SU, what is the thing you enjoy most about Homecoming?

It's cool because my parents make the drive down from Massachusetts. So far in my career we are undefeated in Homecoming games, so I want that to continue. It's a great opportunity to see and meet some of the players that played before you.

You had injuries during your sophomore and junior seasons, how does it feel to finally be healthy for a season?

I had a torn rotator cuff in 2007 that limited me quite a bit and required offseason surgery, then last season in the second game of the year I had a posterior cruciate ligament injury that knocked me out for the season. This was the first full offseason I have had in a while to get my strength back and conditioning levels right, and I used that as motivation to have a good senior season. It took me a few games to get the feel back, but in the Christopher Newport game I felt had a breakout game and have played strong since.

What are your goals following graduation here at SU?

One my first goals would be to get a graduate assistant position for football closer to home so I can get my master's degree. If I am not able to find something, I would like to be a physical education teacher close to home and coach high school football.

Head Coach Sherman Wood

Coach Sherman Wood enters his 11th season as the head coach of the Salisbury University football program. Coach Wood is the all-time winningest coach in program history with a combined record of 69-35 through 10 seasons. Coach Wood led the Sea Gulls to their seventh straight winning season in '08 and won the ECAC Southwest Bowl Championship.

In 10 years at his Alma Mater Coach Wood has won back-to-back Atlantic Central Football Conference championships (2004, '05), led the Sea Gulls to three NCAA tournament berths (2002, '04, '07), the ECAC Southeast Bowl Championship (2005) and the ECAC South Atlantic Bowl Championship (2006).

The 2008 Salisbury football team finished the season 9-2, capped off with a 21-17 victory over Moravian in the ECAC Southwest Bowl Championship. The Sea Gulls placed 15 players on the All-ACFC teams, 32 student-athletes were named to the All-ACFC Academic team, and defensive end Jarrell Chandler was named an American Football Coaches Association first-team All-American.

Salisbury won its first eight games of the '07 season en route to an overall 9-2 record. The Sea Gulls concluded their season in the first round of the NCAA tournament with a tough 31-21 loss to Muhlenberg College on the road.

In 2006, Coach Wood led the Gulls to a second straight ECAC Bowl Championship victory and senior Byron Westbrook became the 12th ever Sea Gull to be named an All-American.

In 2005, Coach Wood became the all-time winningest coach in program history with win No. 45. In the past six seasons the Sea Gulls have posted winning streaks of 10, nine, eight and seven games.

In 2004, the Sea Gulls finished the regular season undefeated, for only the third time in program history, and were ranked No. 5 in the nation, the highest SU had ever been ranked. The Sea Gulls placed eight players on the All-ACFC first team and were recognized with the ACFC Offensive, Defensive and Special Team Players of the Year along with the Coach of the Year award.

In 2002, Wood guided Salisbury to its most successful campaign in 16 years (9-2 record), which included a nine-game winning streak. The Gulls earned the program's first NCAA playoff appearance since 1986 and placed 15 players on the all-conference teams.

The Gulls have had six 1,000-yard rushers in Wood's 10 seasons as head coach and finished second in rushing defense in 2007, fourth (2002 and 2005) and sixth (2004). In 2003, Salisbury finished fifth in the nation in total defense and seventh in rushing defense.

Under Wood's leadership, Salisbury has placed 51 players on the All-ACFC first team since 1999 and has garnered 10 ACFC Player or Coach of the Year awards. For three straight seasons a Sea Gull won the ACFC Rookie of the Year (2000-02). The Sea Gulls have produced 128 all-conference performers in 10 seasons.

A 1984 graduate of Salisbury University and a four-year letterman on the Sea Gull football team, Wood (90-73-1 overall in 17 years) returned to his Alma Mater in 1999 as the sixth head coach in program history. Prior to SU he spent six years in Division II as the head coach at Bowie State (MD) University.

Wood, 47, played defensive back for the Sea Gulls from 1980-83 and finished with seven career interceptions, including two returned for touchdowns. He was a starter and team captain on the 1983 team that earned Salisbury's first-ever NCAA tournament berth and advanced to the national semifinals. Wood earned all-state defensive back honors by *The Baltimore Sun* and recognition as a Street & Smith All-American during his career.

Wood began his collegiate coaching career as a volunteer assistant at Salisbury under McGlinchey in 1984 and became a graduate assistant coach for the Sea Gulls in 1985. He moved to Bowie State as a graduate assistant coach in 1986, coaching the defensive backs and special teams, while he earned his master's degree.

He became a full-time assistant coach with the Bulldogs in 1988, assuming the duties of assistant head coach and defensive coordinator. He remained at Bowie State as an assistant coach until 1992, when he became the assistant head football coach at Virginia Union. A year later, Wood returned to Bowie State as head coach where he inherited a team that finished 1-10 in 1992. He compiled a 21-37-1 record in six seasons at Bowie State. The team's 6-3 record in 1998 was its best in 10 years.

Originally from Norfolk, VA, Wood is a member of the American Football Coaches Association and serves on its All-America Selection Committee, the Rules Committees, Summer Manual Committee and the Minority Issues Committee. In 2006, Wood was honored with the Friend of Education Award presented at the Wicomico County Teacher of the Year Banquet.

Wood is a speaker at numerous sports clinics and involves himself with a variety of local organizations. These groups include: the Special Olympics, the Wicomico Youth Mentor Program and the Salisbury Middle School Gentlemen's Club among others. He also serves on these community service committees; Horizons Program of the Salisbury School, Kids of Honor, the Salisbury Promise Program and the Jr. Golf of Sunrise Rotary. Wood and his wife Tonya have one daughter, Sherece.

Wood Participates In Football Academy

The NCAA invited 19 coaches to its 2009 NCAA Expert Coaches Football Academy from June 18-20 in Orlando, FL, and Salisbury University head football coach Sherman Wood was selected to participate.

The Football Academy was created in an effort to assist coaches with career advancement, networking and exposure opportunities due to the low number of minority head football coaches at NCAA colleges and universities.

The program offers valuable sessions on Communications - media, booster relations, interviewing skills and building a portfolio; Fiscal Responsibilities - fundraising, budgeting and development; Building a Successful Program - managing coaching staffs, building a portfolio (game strategy), and maintaining relationships with university/college presidents, athletic directors, alumni, student-athletes, faculty and members of the community; Compliance Considerations - gambling issues, NCAA rules and regulations/ infractions, agents, choices/consequences and integrity; and Academic Issues - academic support, academic fraud, retention, academic success, and NCAA rules and regulations.

Coach Wood, entering his 11th season as the head coach, is the all-time winningest coach in program history with a combined record of 69-35. Coach Wood led the Sea Gulls to their seventh straight winning season in '08 and won the ECAC Southwest Bowl Championship.

A graduate of Salisbury University, Coach Wood won back-to-back Atlantic Central Football Conference championships in 2004 and '05. He led the Sea Gulls to three NCAA tournament berths (2002, '04, '07), the ECAC Southeast Bowl Championship (2005) and the ECAC South Atlantic Bowl Championship (2006).

Of the current 119 Division I Football Bowl Subdivision (FBS) head football coaches, seven are African-American, one is a Pacific Islander and one is Latino. Out of a total of 582 football programs in Division I, II and III, only 3.9 percent are coaches of color, excluding the historically black coaches and universities.

In addition to the Expert Coaches Academy, the NCAA Diversity and Inclusion group also directs the Future Coaches Academy for student-athletes, the Football Coaches Academy (less than eight years of experience) and the top tier most recently added program—the Champions Forum, which links participants from past Expert Coaches Academies with NCAA athletics directors who have hiring power and networks with other athletics directors. Since the NCAA created its Coaching Academies in 2004, five of the eight minority football coaches who have been hired in head coaching positions at NCAA colleges and universities participated in the NCAA coaching academy programs.

The coaches selected for the 2009 Expert Coaches Academy are:

- Olabaniji Abanishe, head football coach, Lincoln University (PA)
- Robert Anae, offensive coordinator, Brigham Young University
- Kurt Barber, defensive coordinator, Kentucky State University
- Corey Batoon, assistant head coach/defensive coordinator, Northern Arizona University

VARSITY CLUB

Varsity Club Coaches Luncheon

Every Thursday through Thanksgiving, Noon at the Commons
Featuring Head Football Coach Sherman Wood

SU MOVES TO EMPIRE 8

Effective fall 2010 the Salisbury University football program will become an associate member of the Empire 8 athletic conference. The Sea Gulls will be one of two programs added as associate members, as Frostburg State University will also join the Empire 8.

For football, the Empire 8 conference is made up of five full-time members in Alfred University, Hartwick College, Ithaca College, St. John Fisher College and Utica College. SU and FSU will join associate member Springfield College to bring the total number of schools to eight.

"We are excited on becoming a member of such a prestigious and highly competitive football conference," said Salisbury University athletic director, Dr. Michael Vienna. "This affiliation will provide our football student-athletes the opportunity to have a full conference schedule and to compete against some of the finest Division III institutions and football programs in the nation."

The Empire 8 will consist of five New York schools, two Maryland institutions and one from Massachusetts. The eight members of the conference will maintain the conference's automatic qualifier for the NCAA tournament, which Ithaca claimed in 2008.

"It is with great honor that Salisbury University joins the elite group of administrators, coaches and student-athletes of the Empire 8," said SU Head Football Coach Sherman Wood.

In addition to scheduling benefits and the competitive experience of conference play, the conference will provide a full awards program including weekly and post-season honors.

"We look forward to the 2011 season with great anticipation as we enter into what will become a new chapter in Salisbury football," Vienna said.

The Sea Gull football program is 3-1 all-time against members of the Empire 8 as they defeated Ithaca 44-40 on December 6, 1986, in the NCAA Semifinals to make the program's first-ever appearance in the Amos Alonzo Stagg Bowl. The Sea Gulls split the all-time series with Alfred as they won 28-21 on September 12, 1998, and lost 20-13 on September 11, 1999, in Wood's first season as head coach. The Sea Gulls will square off against E8 member St. John Fisher this season on September 26 at noon at Sea Gull Stadium after they defeated the Cardinals last season, 58-52, in four overtimes on October 11 Rochester, NY

"It is with great honor that Salisbury University joins the elite group of administrators, coaches and student-athletes of the Empire 8," said SU Head Football Coach Sherman Wood.

"The conference is well respected and very competitive both on and off the field," Wood said. "On behalf of our staff and students, I thank the Empire 8 for inviting Salisbury Football into one of the most competitive conferences in the nation."

The members of the Empire 8 are committed first and foremost to the pursuit of academic excellence and aspire to be regarded as an outstanding NCAA Division III conference. The membership seeks to distinguish itself among its peer group for its quality institutions, spirited and sportsmanlike competition, outstanding services, and highly ethical policies and practices. Its commitment to serve the educational needs of its student-athletes is the hallmark of the Empire 8.

2009 Salisbury University Hall of Fame Class Inducted

The Salisbury University Athletics Department inducted five former student-athletes into its Hall of Fame on Friday, October 23. A reception and banquet were held in their honor at the Guerrieri University Center in the Wicomico Room in front of a supportive crowd of Sea Gull fans, family and friends of the inductees. The 2009 Hall of Fame Class consists of **Amy Cooke**, **Michael Giuffrida**, **Megan Hopper Block, Kyle Jefferson** and **Hunter Smith**.

The SU Hall of Fame Induction is one of the premier events of the year for the SU Athletics Department. The formal event recognizes the men and women, past and present, whose contributions to SU Athletics has been deemed worthy of induction into the SU Hall of Fame.

"I look back on my time as a Sea Gull with very fond memories of great teams, wonderful teammates and outstanding coaches," said Hopper. "I am very thankful to have had the opportunity to be a part of the Salisbury University Athletics program."

The Hall of Fame was initiated in 1985 to honor those who have made outstanding contributions to Salisbury's athletic heritage. The addition of these five inductees brings the Hall's membership to 106.

Now get to know more about this year's inductees:

Amy Cooke '99 was a four-year letter winner for the women's basketball team where she was a two-time team captain and team MVP, and was an honorable mention All-American in 1999. Cooke became the first SU women's basketball player to record over 1,000 points and 500 assists in a career. She finished her career as the all-time SU leader in assist with 731 and ranked 11th in scoring with 1,138 points. Her assist total is the fourth best all-time in NCAA Division III history.

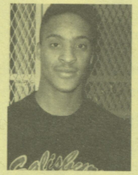
"The memories that are most important to me are the lasting relationships that I developed with both my coaches and teammates. More than anything we accomplished on the court, I most cherish the friendships that I developed and the memories we made together."

Michael Giuffrida '99 was a four-year letter winner for the men's soccer team and served as team captain for two years. Giuffrida was a two-time team MVP and was a third-team All-American selection in 1998. The Fallston, MD, native was a leader for the Sea Gulls both on the field and in the classroom. Giuffrida is the only two-time recipient of the SU Male Scholar-Athlete of the Year honor (1998, '99) and was the first Sea Gull to be named Capital Athletic Conference Male Scholar-Athlete of the Year (1999). The forward finished his career among the leaders in goals (37), assists (19) and points (93) in program history.

"Every day you're practicing with the guys on the field and working toward the same goal. I had no idea at the time the impact I was making on the program. I was aggressive, a sore loser and always wanted to win, so I worked hard to make that happen."

Megan Hopper Block '99 was a four-year letter winner in both field hockey and softball where she helped both programs to a combined seven Capital Athletic Conference championships. For the field hockey team, Hopper was a two-time first-team All American, three-time All-Region and All-CAC selection (twice on the first team). She helped the Sea Gulls make the NCAA tournament all four seasons she wore the maroon and gold. On the softball diamond Hopper was a four-time All-CAC first team performer at second base. She led the Sea Gulls to three NCAA tournament appearances and the first NCAA championship round appearance in '98.

"I was very lucky to have been mentored by two wonderful coaches and be teammates with countless others over my four years. I have learned so much from each person and have carried many of those things into my life as a teacher and coach."



Kyle Jefferson '96 was a four-year letter winner for the men's basketball program where he earned National Association of Basketball Coaches (NABC) All-American honorable mention his senior year. In his senior year, he was named ECAC Player of the Week four times, brought home MVP honors in the Sea Gull Classic and scored at least 20 points in 23 of SU's 25 games. The Columbia, MD, native logged over 2,179 minutes in 104 games where he scored 1,419 career points (eighth all-time in SU history upon his graduation). The 6-foot-3 forward grabbed 656 rebounds, made 108 assists, 97 steals and totaled 58 blocks in his career with the Sea Gulls.

"I learned a lot in the time that I was at Salisbury and I grew up a lot. It was a great experience, I learned many life lessons. My teammates were basically my family away from home. If it weren't for the basketball team and the upperclassmen taking me in, I probably wouldn't have graduated."

Hunter Smith founded the Salisbury University Athletic Training Education Program in 1972 as he served as the first-ever head athletic trainer for the Sea Gulls. Smith served the University for 10 years where he also was an assistant professor in physical education. Smith spent 26 years with the Colts organization of the National Football League (NFL), 25 as the head athletic trainer. In 2007, Smith was a member of the NFL Super Bowl Champion Indianapolis Colts as they defeated the Chicago Bears 29-17 in Super Bowl XLI. In 1990, he was honored with the Pro Football Athletic Training Staff of the Year as selected by the Professional Football Athletic Trainers Society.

"I think the greatest memory I have is the opportunity the University gave me to grow and develop as an athletic trainer and as a teacher. The University had limited funding, but because of the people I knew in the community and because of the support of Dr. Norm Crawford, Deane Deshon and Dick Yobst we were able to develop a really nice program."
